A Prosperous 2020.

Lauderdale Lakes, our “We Care” city, is the Gem of Broward County. We lead with great urgency while working with our City Manager and City Attorney to advance ideas that are in the best interest of the city. I am proud of my contributions; thank you for praying for this City’s leaders, my colleagues and my family.

I am excited about 2020 and ask that you engage with me as I continue to focus on Lauderdale Lakes getting its fair share of funding from the County, State and Federal governments.

My priority is and will always be financial stability, financial reporting that is transparent, diversity in our housing stock with hopes of increasing our income level without displacing those that have remained in our “We Care” city over the last 15 years.

We are engaging our property owners and encouraging them to continue to invest in our city by upgrading their properties and sometimes code enforcement is the catalyst to get one's attention. We look forward to our conversation with the banks located within our city boundaries as we brag on Lauderdale Lakes and explore opportunity for funding of projects in our city with a special focus on our opportunity zones and small businesses.

Pardon our dust as the Bella Vista development completes construction. The design plan for recreational space throughout the city will be developed and we need your input; please participate in the process. This is also the perfect time for the citywide Mayor’s Healthy Challenge. Please call 954-535-2706 for details.

Our society is counting on us to not only educate our children but also keep them and the community safe. I will continue to engage with our government partners in providing those essential services and continue to be the voice for those who live, work, do business and recreate in our vibrant city. We are building and planning for a future beyond 2030. The vision is yours and we will execute it flawlessly.

To the most professional and committed City staff, Broward Sheriff’s Office and Fire Department, Citizen’s on Patrol (COP's), pastors who pray for us at our commission meetings, Ambassador church and volunteers who coordinate our bi-weekly bread distribution, numerous partners in presenting the Annual Unifest and Taste of Lauderdale Lakes as well as our residents and businesses, I trust you had a Happy Holiday Season and hopes for a Prosperous New Year to you and your family.

Be blessed and I thank you.
Greetings my fellow residents and businesses of Lauderdale Lakes!

I pray that this New Year finds you and your families in good health, good spirits and looking forward to the blessings and opportunities that await us!

In 2020 our great City will continue to grow, progress and prosper to our fullest potential!

At the beginning of this New Year (and throughout the year), I want to hear from you! Let me know your thoughts, innovative ideas, suggestions and, of course, your concerns. Get to know what is going on in our beautiful, great and growing City!

You want to become more involved in where our City is progressing and how we plan to get there? Fantastic! I am extending to each and every one of you a special invitation to attend Commission Workshops and Commission Meetings. Commission Workshops are held the Monday before the City Commission Meeting. Commission Meetings are held the 2nd and 4th Tuesday of the month.

By now, you should know that I want you to become more involved in our City. I want you to be knowledgeable about and engaged in the great activities and events, the new businesses that are opening, the city beautification projects, our new single-family homes, condominiums, Trailhead Park, our schools and all the wonderful things that make our City a great place for you and your families.

The story of our City is a great one! Help me to tell it everywhere we go!

If you see something, say something for the betterment of our City!

Lauderdale Lakes is a Vibrant, Connected, Diverse and Safe community! We are poised for Success!”

“OUR CITY, OUR STORY!”
Hello Residents and Friends:

Welcome to the New Year (2020). What an exciting time! As we begin this New Year and new season, I invite you to start a list of short term (obtainable) goals. Decide what’s important to you, and how you plan to carry out your goals. Keep a daily journal of your progress, and do not become discouraged along the way.

One important goal to keep in mind, is financial prosperity. Be sure to save for the future of yourself, your children, and their children. We must think long term when thinking finance. Our future is determined by how well we have prepared.

Let’s talk health. Think of the benefits of eating healthy and having a healthy body. Choose foods from all of the food groups, and be careful to watch your salt and sugar intake. Try to eat your meals at a scheduled time, and watch those late night snacks. Be sure to drink plenty of water. Stay fit by walking, jogging, swimming, or starting a gym membership. “Keep Moving”.

We must not forget to keep our brain healthy. I encourage reading to stay knowledgeable. Choose a book that will hold your attention, such as a novel, magazine, or the best book of all, the “Book of Life”. Set a good example for the children, “Just Read”.

Finally, our city has many events and activities planned throughout the year. There is something for everyone. We also invite you to join the Local Government Academy when classes are offered, and to attend our workshop and commission meetings.

“Wishing you Prosperity and Blessings for the New Year”

Your Commissioner
Sandra Davey
Happy New Year!

2019 has come to an end. We have created and shared wonderful memories from the Black History Month Celebration and Parade in February to the Holiday Angel Tree Event in December. We are beginning a New Year and a New Decade with many exciting activities planned for our residents that will continue to create shared memories.

During the summer, I asked residents to share their stories of “Why I Love My City”. Let’s continue to share your stories and spread the love throughout our City; and if there is something we can do to make you Love Your City, please let me know. If you would like to create a video telling your story of “Why I Love My City” give me a call or contact our Public Information Office at (954) 535-2700.

We are approaching a very important day in our City and country; April 1st is Census 2020. The Census is the procedure of acquiring and recording information about the members of a given population. In this case the residents of Lauderdale Lakes. Please encourage your family, friends and neighbors to join in the complete count. Your information will not be shared with any government agency. You will not be asked if you are a citizen of the United States. This is your chance to be counted so Lauderdale Lakes can get its fair share of Federal and State dollars that will benefit our residents for 10 years. Every man, woman and child not counted will affect our City. Census numbers are used to send dollars to our City that support our Minor Home Repair and Air Conditioner Replacement Program, Education, Childcare, Housing, Health care services, Job Training, Parks and Recreation and many other needs of our residents. Need to establish your age or residence? Need help to qualify for a pension? The Census information collected can help you. There are only 10 questions, it takes 10 minutes but will affect us for 10 Years. Please do your part be counted.

Our City now has weekly Bulk Trash Pickup. In an effort to maintain the beauty and cleanliness of our community you no longer have to wait a month to put out your bulk trash. You can put your Bulk trash out every week on your normal bulk trash pickup day. Monday: Eastgate & Northgate, Tuesday: Oakland Estates & Westgate, Wednesday: Condominiums. For additional information go to the City of Lauderdale Lakes website or from your browser, put in lauderdalelakes.org/156/garbage-and-bulk-waste-collection

We are here for you; please let us know your suggestions and concerns so that we can continue to make the “We Care” City of Lauderdale Lakes the best city to live in.

From my family to yours, have a wonderful, joyous, healthy and prosperous New Year!

Sincerely,
Commissioner Marilyn Davis
To Our Lauderdale Lakes Residents:

I certainly hope that each and every resident of the “We Care” City of Lauderdale Lakes had a wonderful holiday. As we look forward to the New Year, 2020, we have a lot of important issues to become involved in. It is very important that every resident understand the importance of the 2020 Census, and makes sure that every family member participates. Please encourage your neighbors to do so as well. This is how funds are allocated for cities from the Federal Government. The Census is only done every 10 years; your City needs these dollars for improvements in the schools, roads, infrastructure, and other programs that are important for your city. Remember your information will not be used for tracking or sharing; it is safe.

In the New Year make it a priority to eat healthy, to get more exercise, to get your yearly check-ups, participate in your children’s schools and join the PTA.

Always be aware of your surroundings. Learn who your neighbors are and be mindful of what’s happening on your street. “If you see something, say something”!

Join our Citizens On Patrol (COP) Program. COPs are volunteers who drive around the community in cars keeping our streets safe. They use the telephone to report anything they see.

Encourage the children in the neighborhood to always be safe. Become a registered voter. Make a pledge to attend some of our Workshops and Commission Meetings. We are here to be held accountable and YOU need to make sure we are doing what we promised when we were elected.

The City of Lauderdale Lakes offers numerous activities for every family member. In January we will have a “Day of Service” celebrating Dr. Martin Luther King, Jr. Day, The Black History Parade is held in February, Senior Dominoes games are held 3 times weekly at The Multipurpose Building, Water Aerobics Class takes place at the pool located between Oriole Elementary and Lauderdale Lakes Middle School; and there is also basketball and football. Please read the quarterly newsletter from the Mayor and Commissioners that will list all activities, or call The Parks & Human Services Department at (954) 535 2789 for detailed information.

The Senior Center is open Monday through Thursday from 9:00 a.m. to 2:00 p.m. for seniors 55 and up. Come join in the fun! Bus pick-up services is available to transport you to the center. To keep your teens off the street and busy, please have them join the Teen Center. Teen Center meetings are held Mondays through Thursdays from 6:00 p.m. to 8:00 p.m. Youth Council meetings are held on the third Wednesday of each month at 6:30 p.m. to 7:30 p.m. Both meetings are held at Willie Webb Park. At the Frank Coleman Community Garden you can learn to grow vegetables and get more exercise. Learn how city government works; join the Local Government Academy (LGA) class offered yearly during the month of March; volunteer at the library; these are just a few of the activities to become involved in to make Our City of Lauderdale Lakes a better place to live.

Thank you for being a great resident!!

Commissioner Beverly Williams

Proclamation for Zeta Phi Beta Sorority, Incorporated 100 years of service picked up by Bridgette Howard, President – Fort Lauderdale chapter - 12/10/19
The Honorable Mayor Dale V.C. Holness

visited the “We Care” City of Lauderdale Lakes on Tuesday, November 26, 2019, during the Commission Meeting. He was recognized by Mayor Hazelle Rogers as being unanimously sworn in by his peers as Broward County’s first Jamaican American Mayor on November 19, 2019. Broward County Mayor Holness was presented with a Proclamation and given the Keys to the City by Lauderdale Lakes Mayor Hazelle Rogers.

Mayor Holness was first elected to the Broward County Commission in November 2010 and fearlessly represented his constituents of over 200,000 resident from District 9 which encompasses all or portions of Fort Lauderdale, Lauderdale Lakes, Lauderhill, North Lauderdale, Oakland Park, Sunrise, Tamarac and Plantation. Mayor Holness began his legacy of leadership in the adjacent City of Lauderhill where he served as Commissioner from 2004 to 2010; he was the champion and organizer behind the Lauderhill Mall Citizenship Drive that resulted in approximately 1400 citizenship applications processed. Mayor Holness catapulted Broward County to the forefront of commerce through his vision for the annual Florida International Trade & Cultural Expo where 60 countries and 2000 attendees matriculated in October 2019. He is involved in numerous projects and organizations that include Chair of the Broward Black Elected Officials; Broward County Children’s Services Board; Broward Metropolitan Planning Organization and Broward Housing Council.

The City of Lauderdale Lakes applauds the efforts and accomplishments of Mayor Holness and wishes him the best of luck in his new role as Broward County Mayor.

**Most Common Contaminants**

Keep these common contaminants OUT of your recycling bin.

- **NO Recyclables in Plastic Bags**
  - Empty loose recyclables in bin but leave the plastic bag out.

- **NO Food & liquids**
  - Compost instead! Otherwise, it belongs in the trash.

- **NO Electronics & Small Appliances**
  - Donate if in good condition, or schedule a bulky item pickup, if available. Check [earth911.com](http://earth911.com) for a local drop off site.

- **NO Textiles, Bedding, Rugs & Carpet**
  - Donate these items if they are in good condition. Large quantities may require special disposal.

- **NO Hoses, Holiday Lights, Hangers & Extension Cords**
  - They wrap around equipment and can shut down an entire facility. They all go in the trash.

- **NO Plastic Bags, Film/Sheeting & Flexible Film Packaging**
  - Take plastic bags back to a local grocer to keep bags clean and dry, and prevent them from shutting down recycling facilities. Visit [plasticfilmrecycling.org](http://plasticfilmrecycling.org) to find a drop off location near you.

- **NO Paper Napkins, Plates, Cups & Tissues**
  - Compost if possible, and remember to recycle the cardboard tube.

- **NO Polystyrene Foam**
  - Foam and plastic to-go containers are not recyclable curbside. Find drop off programs for items like foam packing peanuts at [earth911.com](http://earth911.com).

- **NO Tires, Auto Parts & Scrap Metal**
  - *(Not in recycling or trash)* Can damage equipment & are safety hazards. Contact local scrap recyclers or retail tire stores for recycling options, or check [earth911.com](http://earth911.com) for a drop off center near you.

- **NO Concrete, Wood & Construction Debris**
  - Can damage equipment & are safety hazards. You may be able to schedule a bulky item pickup — otherwise throw it in the trash or order a roll off bin by contacting Waste Management Customer Service.

- **NO Yard Waste & Wood**
  - Compost or put in your yard waste cart, if available. Otherwise, it belongs in the trash.

- **NO Non-Recyclable Plastic**
  - Not everything that is plastic is recyclable! Recycle only food & beverage bottles, jugs and tubs.

For more information on recycling, visit [RecycleOftenRecycleRight.com](http://RecycleOftenRecycleRight.com)

©2017 WM Intellectual Property Holdings, L.L.C. The Recycle Often. Recycle Right.™ recycling education program was developed based upon national best practices.

Meet the Stormwater Division
This division protects the City against flooding by establishing and maintaining efficient stormwater collection, routing and pumping systems, and to enhance the aesthetic appeal of the City’s waterways by maintaining them free of debris and aquatic vegetation.

Some of the division’s daily activities includes:
• Cleaning and maintenance of 760 Catch Basins and 180 outfalls
• Cleaning and maintenance of approximately 77,000 feet of drainage pipe of different sizes.
• Cleaning and maintenance of approximately 3,000 feet of culvert.
• Cleaning and maintenance of 11 Miles of Canals with a combination of several equipment such as mechanical harvester, boats, environmentally friendly chemical and manpower
• Cleaning and repairs of drainage structures (pipes and inlets)
• Construction of drainage structures
• Litter control
• Monitor and Inspect City's Stormwater Capital Improvement Project

Stormwater Division Staff
• Vincent Richmond - Stormwater & Grounds Administrator
• Thomas Totten – Stormwater Maintenance Coordinator
• Antonio Freeman – Stormwater Crew Leader
• Clifton Coach – Stormwater Specialist
• Dennis Williams - Stormwater Sr. Equipment Operator
• Ronald Jordan - Stormwater Equipment Operator
• Albert Robinson - Stormwater Maintenance Worker II
• Errol Cunnigham - Stormwater Maintenance Worker I
• David Brathwaite - Stormwater Maintenance Worker I
• Tremaine Bradshaw - Stormwater Maintenance Worker I
Steps you can take after January 1st to help you lower your taxes

Tip No. 1: Be organized
It’s a little late to do a great job with this tip, but it’s not too late. Ideally, have a folder or box where you place tax-related receipts and documents throughout the year. Once you’re sitting down to prepare your return, all the papers you need will be in one place.

Tip No. 2: Take advantage of IRAs and 401(k)s
It’s vital for most of us to be saving and investing for retirement, and it’s very helpful to do so using tax-advantaged accounts such as IRAs and 401(k)s.

There are two main kinds of IRAs and 401(k)s: traditional and Roth. Traditional accounts offer an up-front tax break: You contribute money on a pre-tax basis, thereby reducing your taxable income for the year of the contribution.

Roth accounts offer a back-end tax break: You contribute money on an after-tax basis, so your taxable income isn’t reduced and your tax bill for the year of contribution doesn’t shrink. But, if you follow the rules, when you withdraw money from the account in retirement, it will be tax-free income.

Tip No. 3: Keep up with changes to tax laws
Next, it’s important to keep up with developments in tax law. Otherwise, you might not realize that the amount you can contribute to various accounts has changed or that certain deductions are no longer allowed. Some years offer more changes than others -- the Tax Cuts and Jobs Act of 2017 ushered in lots of change, such as doubling the standard deduction and reducing various tax rates -- rules that are in effect now, for your 2019 tax return that you’ll prepare in 2020 and for future years.

Tip No. 4: Be thorough and report all your income
It can be tempting or easy to omit some income when preparing your taxes -- if only because you forgot some income. That can be a costly blunder, however, and one that can be prevented if you’re organized and keep good records of all your earnings. You might have a small job on the side, for example, or you may be earning a little extra income making and selling things online.

Tip No. 5: Consider hiring a tax pro
Finally, because tax laws are so complicated and subject to change, consider not preparing your tax return on your own. If your situation is very simple, such as if you’re single, with no dependents, no investments, and no income other than a salary, you could do well to use a tax preparation software package. But those with more complicated financial lives should consider using a good tax pro’s services. After all, he or she spends a lot of time keeping up with tax laws and knows about available strategies that can minimize your taxes.

The $16,728 Social Security bonus most retirees completely overlook
If you’re like most Americans, you’re a few years (or more) behind on your retirement savings. But a handful of little-known “Social Security secrets” could help ensure a boost in your retirement income. For example: one easy trick could pay you as much as $16,728 more... each year! Once you learn how to maximize your Social Security benefits, we think you could retire confidently with the peace of mind we’re all after. Simply click here to discover how to learn more about these strategies.

In July 2017, through a visioning session with the Commission, the City established its’ mission, vision and values statements through a Strategic Plan which will carry the City forward into the future. Our “We Care” motto speaks volumes for our residents, businesses, visitors and our employees of the City of Lauderdale Lakes as we embark together to enhance and improve our community. “Our City Our Story” campaign is one way we will be communicating and reaching our community, our “New” newsletter is designed to keep everyone informed about everything that is happening in the Heart of Broward County.

Treasa Brown Stubbs
Assistant City Manager
Phil Alleyne
City Manager

The City of Lauderdale Lakes has joined forces with Broward College thru the Broward Up movement in offering courses that should lead to better employment opportunities. You are allowed to take one free course and obtain a certificate of completion at the end.

Introduction to Project Management
This is a hands-on/introductory course where you will gain working understanding of the Project Management process and project life cycle.

MS Excel Data Analysis
This course will give students the capability to learn the correct application of the principle features of Excel including creating and editing workbooks. Learn to prepare performance charts, sales invoices, and data-entry logs.

Introduction to Microsoft Excel
Learn to create and format worksheets, formulae, tables present data with charts, import and export data, analyse data using pivot tables and more.

All classes will be held at:
Lauderdale Lakes Educational and Cultural Center
3500 West Oakland Park Blvd, 2nd Floor Computer Lab
Lauderdale Lakes, FL 33311
